

**MANDATE FOR AN ADVOCATE**

According to c. 1481, §1 of the *Code of Canon Law*, I \_\_\_\_\_, hereby appoint Fr Alexander M. Laschuk, as my freely selected procurator and canonical advocate in all matters regarding parish reorganization discussions with the Eparchy of Parma in line with canons 1003 and 1139 of the *Code of Canons of the Eastern Churches*.

I empower him to negotiate and act on my behalf in dealing with the eparchy and its representatives, as well as in any higher instance.

By this mandate Fr Laschuk may on my behalf renounce an action, an instance, or judicial acts; he in general do those things which the law requires a special mandate.

By this mandate he may, on my behalf, appeal a judicial sentence and/or take recourse against an administrative decision.

By this mandate he may agree to new grounds, add witnesses and experts, and appoint a substitute to act on his behalf as an assistant.

I understand that I may revoke this mandate at any time by stating this intention in writing to the advocate. I understand this mandate may be renounced by the advocate communicating this to me in writing.

This mandate replaces and revokes any previously issued mandate(s) for a canonical procurator and/or advocate with respect to this matter.
